SUBJECT: Italian withholding tax

Dear Madams/Sirs,

We are writing to notify you of the percentage of "White List Bonds" with Reduced Taxation hold by the Sub-Funds of the Ossiam IRL ICAV. The provided figures are only valid for the indicated period.

You will find below the list of the share classes covered by this letter which specifies for each share class the percentage of Bonds with Reduced Taxation held as of the dates of the most recent audited Annual Report and unaudited Semi-Annual Report.

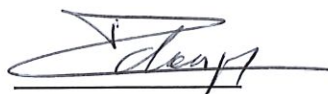

All the data included in this letter has been provided to you for informational purpose in order to assist in the calculation of the Italian withholding tax.

The content of this letter does not constitute legal or tax advice and we recommend that you consult your legal or tax adviser for verification as to the action you should take.

Furthermore, we certify that the Company and all the Sub-Funds shown in the attached list are currently authorized under Directive 2009/65/EC of the European Parliament and of the Council.
